Dear Mr. Lawton,

Congratulations on the re-approval of West Michigan Regional Medical Consortium to conduct Continuing Education courses, as a CE Program Sponsor. **This approval has an effective date of July 31, 2022 and an expiration date of July 31, 2025.**

West Michigan Regional Medical Consortium has been assigned the following approval number and sponsor number:

Approval number: CE-16-6234
Sponsor number: 6234

As a reminder, during your approval period, if you choose to conduct additional courses, you need to submit a form (BHPPA-EMS-202c), along with an appropriate lesson plan. This form must be submitted 30 days prior to the start of the course. Also, all CEs offered must be from a state approved lesson plan, by approved instructors, and only at approved consortium addresses.

Again, congratulations on the re-approval of your CE Program Sponsor. A Certificate of Approval for your program has been enclosed.

Sincerely,

A handwritten signature in black ink that reads 'Terrie S. Godde'.
