

## **ASSIGNED READING**

Residents will be required to look at several different articles and journals during the course of this rotation. These readings are based on the **Core Content of an EMS Fellowship** published by the Journal of Prehospital Care.

- Handbook for EMS Directors (published from FEMA)
- EMTALA (article from The Sullivan Group)
- Prehospital Refusals (from Prehospital Emergency Care)
- Physician Medical Direction in EMS (from NAEMSP)
- Principles of EMS System Design (from Emergency Medical Services: Clinical Practice and System Oversight, Second Edition)
- EMS Personnel (from Emergency Medical Services: Clinical Practice and System Oversight, Second Edition)
