

## ***West Michigan Regional Trauma Destination List***

**Purpose:** Reference document to the WMRMCC Trauma Destination addendum, used to identify hospitals functional capabilities and allow for determination of the most appropriate destination.

### **Levels I and II**

Level I and II Trauma Centers are comprehensive regional facilities capable of providing total care for every aspect of injury – from prevention through rehabilitation. **From a clinical perspective, as relates to EMS, Levels I and II are considered to be equivalent.**

**Elements of Level I & II Trauma Centers Include all of the elements of Levels III and IV, plus:**

- 24-hour immediate coverage by trauma surgeons, and prompt availability of care in specialties such as orthopedic surgery, neurosurgery, anesthesiology, emergency medicine, radiology, and critical care.
