

## ***West Michigan Regional Trauma Destination List***

**Purpose:** This is a reference document to the WMRMCC Trauma Destination protocol to identify hospitals functional capabilities and allow for determination of the most appropriate EMS destination. Hospitals listed in this document are American College of Surgeon's (ACS) verified and State of Michigan designated as well as those with Medical Control Authority (MCA) designated provisional status. Provisional status is a temporary status conferred by the MCA for hospital.

### **Levels I and II**

Level I and II Trauma Centers are comprehensive regional facilities capable of providing total care for every aspect of injury – from prevention through rehabilitation. **From a clinical perspective, as relates to EMS, Levels I and II are considered to be equivalent.**

**Elements of Level I & II Trauma Centers Include all of the elements of Levels III and IV, plus:**

- 24-hour immediate coverage by trauma surgeons, and prompt availability of care in specialties such as orthopedic surgery, neurosurgery, anesthesiology, emergency medicine, radiology, and critical care.
